It's easy to work with GENEWIZ!

GENEWIZ
Coupon for New Users

How To Redeem Coupon

1. Fill out the Name, Institution/Company, and Date.
2. Create your user account at www.genewiz.com; see "New Account Setup."
3. Order online through your account. Enter "COUPON" or the promotion code in the P.O. field of Step 3 if your order is for two reactions. For orders larger than two samples, enter your P.O. number.
4. Enclose this coupon, your order receipt, and samples in an envelope.
5. Ship your samples overnight to GENEWIZ (see Contact Us at www.genewiz.com), or use an on-site GENEWIZ Drop Box (call us for listings).

One coupon per new customer; one coupon per order; applies to first order only. Valid for Pre-mixed, Pre-defined, Custom, Bacteria/Phage, GC-rich or GENEWIZ proprietary RNAi template sequencing. Feel free to call GENEWIZ Technical Support at 1-877-GENEWIZ (436-3949), option #2, if you have questions.
